

Anonymous vs. Confidential HIV Testing

STATE	ANONYMOUS	CONFIDENTIAL	COMMENTS
Alabama		X	Same as TN, state mandates C testing.
Arkansas	X	X	Health Department test A, but CBOs test C.
Georgia	X		States mandates A testing only. Does not track HIV positives.
Kentucky	X	X	Encourages C testing, but state allows A testing.
Mississippi		X	Same as TN, state mandates C testing.
Missouri	X	X	Only 4 sites offer A testing; all Outreach Testing is strictly C.
North Carolina		X	Same as TN, state mandates C testing.
Virginia	X	X	

NOTE: I called the state health department of the eight states that border Tennessee.
