

## Coffee Shop

Living with HIV is stressful. Coping with the demands of treatment, family, friends, employment, and day to day survival can lead to burn out, isolation, and despair.

Let us help.

The Prevention for Positives Program at Friends For Life now offers "Coffee Shops" designed to afford HIV positive persons the opportunity to kick back, relax, and make new friends.

Please come. The first cup is on us. Coffee Shop events are located conveniently in South Memphis.

Call Sherita Gatewood at 272-0855 ext 238

or

Joe Girouard at 272-0855 ext 220  
for specific times and locations.
